THE COMPASS ROSE

10% OFF

HEALTH AND WELLNESS CENTRE

Offering all current and retired NSTU members a **10% DISCOUNT on a Float Membership** and **50% OFF a first time regularly priced float session**. At The Compass Rose Health and Wellness Centre, our first priority is to make anyone who comes through our doors comfortable and at rest.

We offer a range of services that promote relaxation and rejuvenation. Float therapy, massage therapy, auricular acupuncture, sensory therapy and counselling therapy are some of the services we offer. Our centre offers rooms for professionals, workshop facilitators, and any one seeking

a quiet and professional space to meet. All clients have access to complimentary tea, coffee, water, and Wi-Fi in our Chill-ax room.

We also provide an opportunity for children to learn, relax, and explore in our Sensory Room. This is a multi-functional room that can be used for therapy, relaxation, and child programming, while care givers relax and enjoy our other services.

Float Therapy or R.E.S.T. (Reduced Environmental Stimulation Treatment) has been described as "meditation for lazy people." Your experience begins as you enter your private room and shower. Climb into your personal Float Pod filled with a dense Epsom salt (magnesium sulphate or epsomite) warmed to body temperature. Adjust your music or lighting and lay down. The superior buoyancy of the salt solution produces a near zero gravity experience. All that remains is to close your eyes and melt.

Our Float Membership is designed for those who love to float. Each month you are billed \$59 and receive a float that is banked and never expires. As a member, each additional float is charged \$59 and if you bring a friend they receive that float for the same price. There is no limit to the number of floats per month. Also watch for our many specials and seasonal packages.

For more information, please visit our website, www.thecompassrose.ca or call (902) 346-2158. Additional information about float therapy is available online at www.floathalifax.ca and on our facebook page.

HOLOCAUST EDUCATION WEEK

FREE

OCTOBER 24 - NOVEMBER 2 STUDENT PROGRAM

Friday, November 2 - 10:30AM

Canadian Museum of Immigration at Pier 21, Rowe Hall, 1055 Marginal Road, Halifax.

Guest Speaker: Holocaust survivor Maxwell Smart

In the town of Buczacz, Poland, nine-year-old Maxwell's life is turned upside-down when the Soviets invade in 1939. His family eventually adapts, but nothing can prepare them for the Nazi invasion two years later. Soon Maxwell is alone in the woods, hiding from the roving groups of Ukrainians and Nazis searching for Jews, while depending on the few people he can trust. In the bitter journey of Chaos to Canvas, Maxwell transforms from a boy dependent on his family to a teenager fighting to survive and, ultimately, to a man who finds himself through art in a life beyond the war.

Maxwell immigrated to Canada in 1948 through the War Orphans Project. Since his arrival in Canada, Maxwell has lived in Montreal, where he has become a successful painter, opening his own art gallery in 2006.

Registration required and teachers will receive a short activity to complete with students prior to arrival, to reserve your space please contact:

Alexandra Cherry, Acting Public Programs Manager, acherry@pier21.ca 902.425.7770 ext: 263.
